

ACOLYTE

An acolyte at Grace Church is a young person who assists in the worship service by lighting and extinguishing the altar candles. This gives the young persons of the church the opportunity to be participants in the service. We welcome all kids ages 5 years through teen years in this ministry.

The mission of the acolyte is to serve God. Acolytes do more than carry a flame – they are carrying the Light of Christ's Spirit into and out of the worship service.

If you are interested in more information on being an Acolyte
